

The Neighbors for Seniors program aims to connect groups looking for service projects with individuals seeking assistance. The goal of the program is to eliminate health or safety risks through providing minor home repairs including ramps and yard work. If possible, recipients and volunteers are encouraged to share in the cost of the project.

How can you help?

BECOME A VOLUNTEER

On SARCOA's website, you will find the complete list of project requests. Once you have reviewed the list of needs and identified a project that fits your group's abilities, please contact our office at 334-793-6843 and reference the case number.

We realize that not everyone can physically do the work, nor does everyone have the skills to do the job, but there is still a way that you can help! Donations are accepted to help cover the cost of materials and supplies needed for the projects. No donation is too small or too large. Donations can easily be made through PayPal on our website sarcoa.org or make checks payable to SARCOA.

When making a donation, you can memorialize or honor a loved one while also helping those in need. SARCOA will acknowledge all memorial and honorarium gifts if noted in the comments section on PayPal.
